Just like the driftwood of a dream
Left on the seashore of sleep
Just like the words that wouldn't rhyme
Lost in desert of time
Time waits for no one at all
No not even you
You thought you'd seen it all before
You really thought you knew...

FOREWORD

We the class of 1980 have chosen the song "The First Years" as the theme of our yearbook. The First years are hard years but we struggle through and in the end we have many friends and fond memories to look back upon.

"Friends" by Paige Hardison, from the class of 1980, compliments our theme and shows us the value of friendships during these years of our lives.

THE FIRST YEARS
ARE HARD
YEARS,

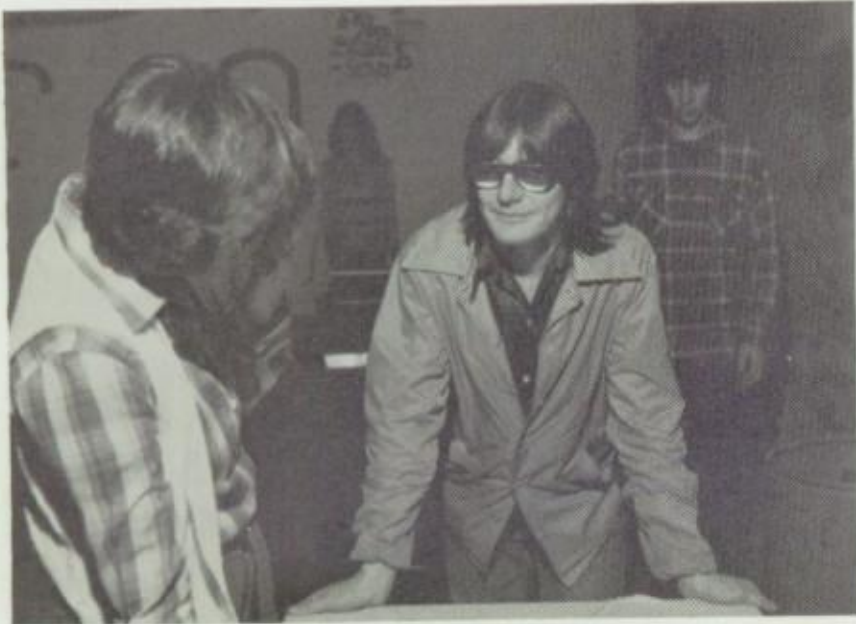

MUCH MORE THAN YOU KNOW

BUT WITH

GOOD FRIENDS

**TO
LOVE
US**

**WE'LL FILL
EVERY HOLE,**

STAY OPEN TO ALL THINGS

ALL THINGS
BRIGHT AND NEW

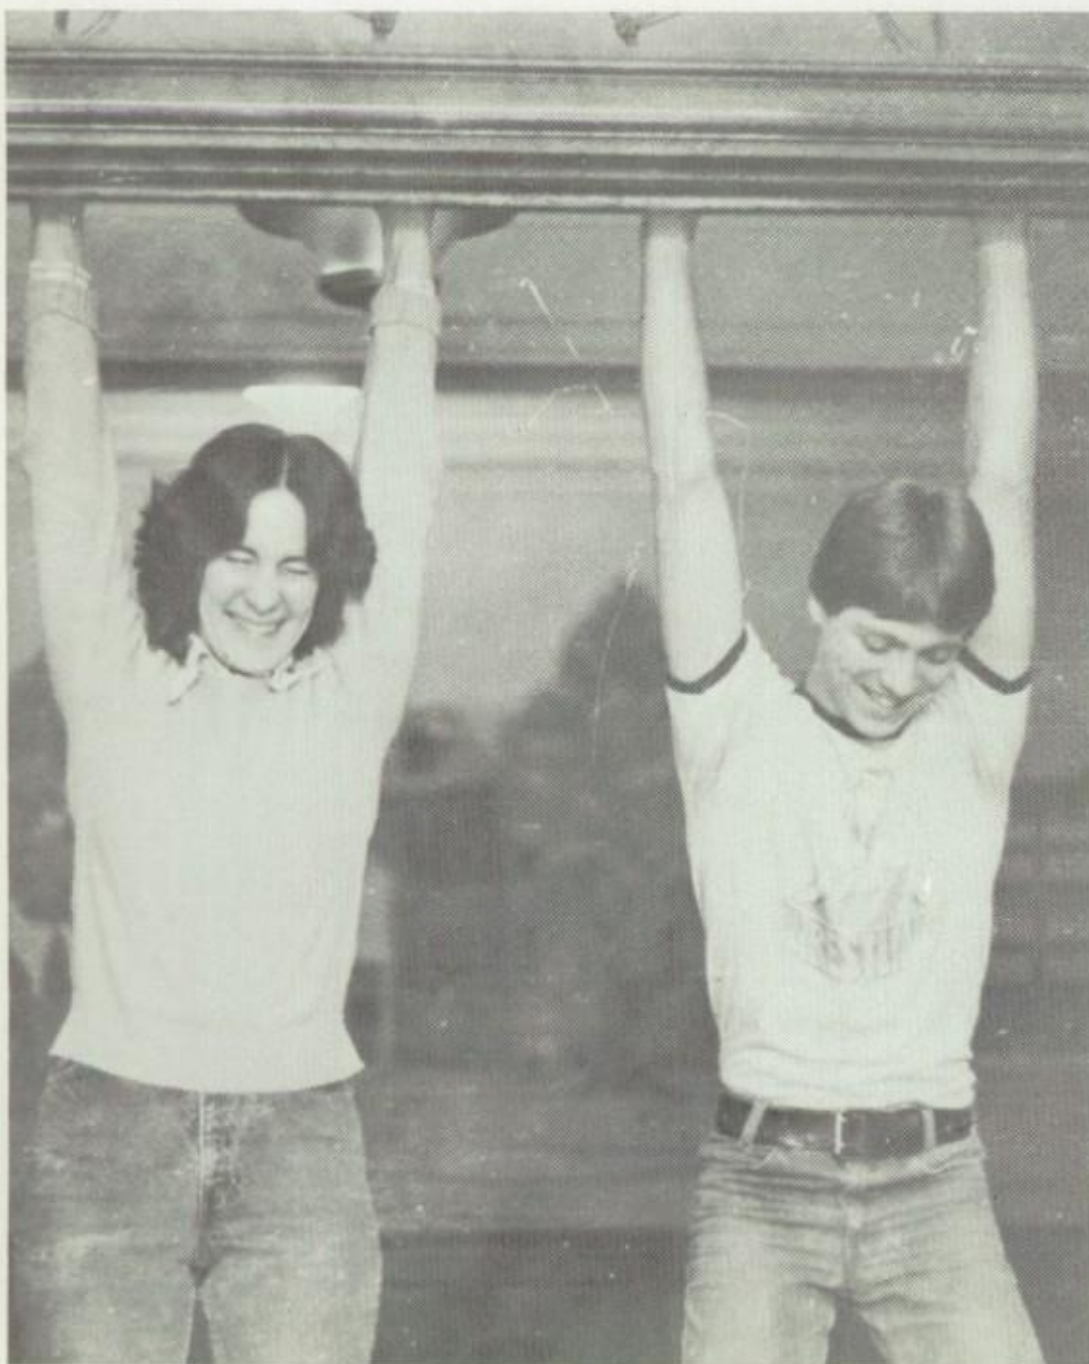

AND ONE DAY
WE'LL ALL SAY

HEY LOOK!

WE'VE COME

THROUGH . . .

THE FIRST YEARS.

MRS. JOYCE CAMPBELL

DEDICATION

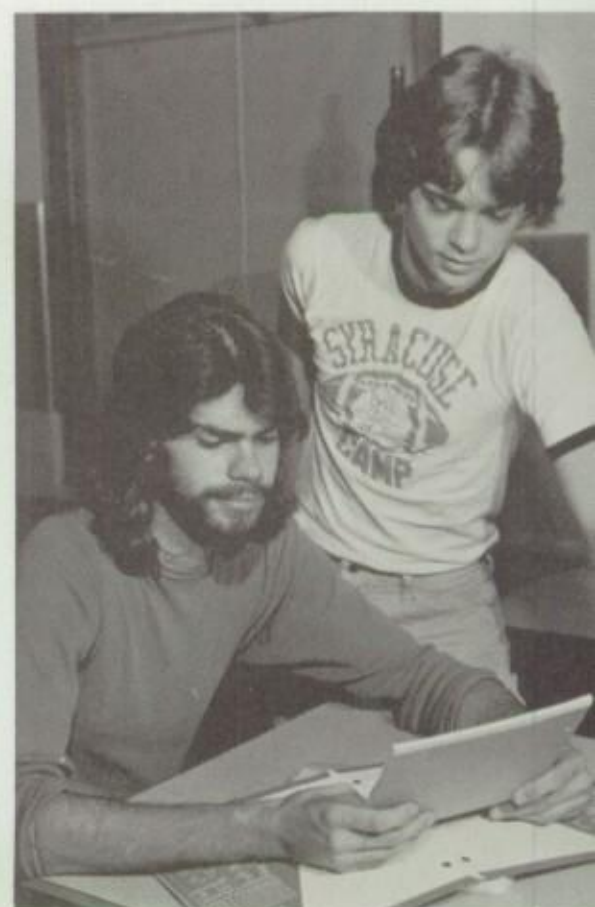

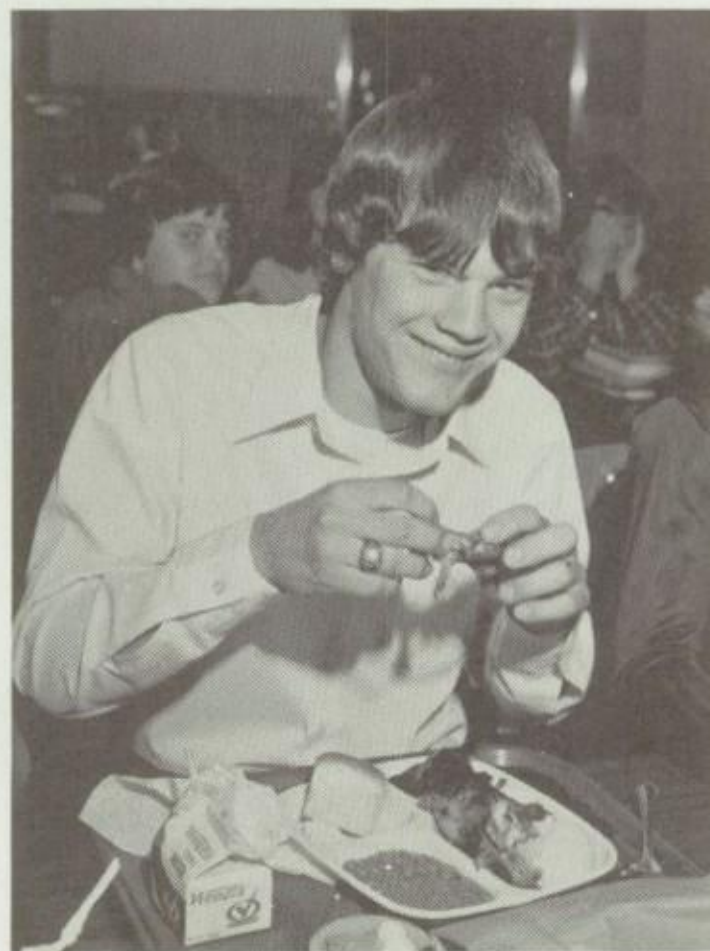

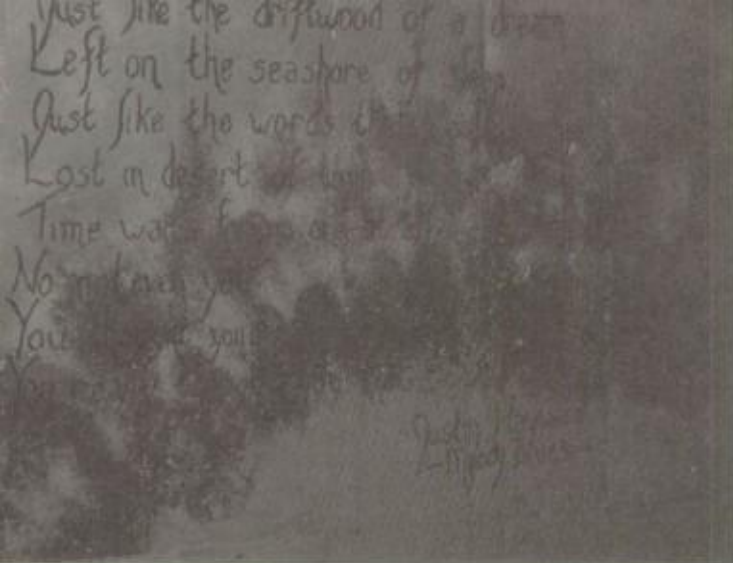

The person we have chosen to dedicate our yearbook to, is someone we all will or have come in contact with during our years at Wilson High.

Having graduated from Youngstown High School, she went on to receive her business training from Rochester Business Institute. She worked for several years with the Army and Bell Aircraft. For the past 14 years she has been a secretary at Wilson and is presently the secretary to Mr. Palisano. She is also a secretary for the Town of Porter Zoning Board.

Her hobbies include gardening and she is a member of the Ransomville Garden Club. She is noted for having a great personality and she always has a smile for everyone.

As a means of expressing our appreciation for the hard work she has done during her years at Wilson, we the class of 1980 wish to thank Mrs. Joyce Campbell by dedicating our yearbook to her.

In Remembrance

Daniel Phillips

We, the Class of "80" wish to dedicate this page in remembrance of Daniel Phillips who died tragically last year in an automobile accident.

Danny, to most of us, but known as "Gopher" to his good friends will remain in our memory always. Danny liked snowmobiling and working on cars. He attended Boces for auto mechanics while in school.

All of us who knew Danny at school will remember him as a quiet and friendly person. This is why the Class of "80" wishes to dedicate this page to him.

W.C.S. is honored this year to have Chie Asahara visiting us from Japan. While she is here she is staying with the Wesley Ferington family on Wilson-Burt Road. She will be here until June and is continuing her studies in the eleventh grade. Her favorite classes are Math and Social Studies. She has found that young people have much more freedom than they do where she lives.

Chie, we hope you have a nice visit and come back and see us again.

LIGHTING COMMITTEE

Seated: Shelby Cowles, Ann Kelly, Connie Swick, Nancy Berryman, Ed Kelly, Standing: "Buzz" Higgins, Wes Ferington, Jess Woodard, Bob Dinse, Jim Cowles, Frank Okoniewski, Walter Berryman, Jon Swick, Tom McGrew.

Those who attended the home Football games in the autumn of 1979 were counted as the first season of spectators to view Wilson's Varsity Football squad under the new Field lights. The eight 65' and 75' lamps which now surround the Walter J. Hutchinson Athletic Field are the first permanent lighting fixtures ever to shed beams on the Varsity Lakemen Football players, and they provided light for the first set of night games at Wilson in 17 years. The Crest staff would like to thank the individuals pictured above, (and any who were camera shy) who are collectively known as the Lighting Committee. This group of local citizens are responsible for purchasing and maintaining this lighting system.

These dedicated people, led by Chairman Wes Ferington Jr., organized the entire project. They installed the lights, and raised funds with no cost to the district. Our school district owes a great deal of thanks to the Lighting Committee.

We would also like to thank the following individuals who provided their services: "Buzz" Higgins, Supervisor of steel erection and iron work; Ed Kelly, Supervisor of electrical installation; Frank Okoniewski, Financial Advisor; Red Clark, who furnished trucks from the Niagara Erecting Co.; Jim Cowles, who procured the steel; and the ironworkers from Sisson Erector Co.

"Our Director"

Friends

Friends, how many have we made over the years? How many times have we shared laughter and tears? But how often do we come to realize how precious they all are in our eyes? So remember all the things we've done together to make it all worthwhile. Learn from the bad things then put them away, then bring back the good times, and smile.
